

POPCORN FUNDRAISING

The Pack participates in the annual popcorn fundraiser which will now be a year-round sales event.

Online sales will take place from January 1st - December 31st.

In-person sales will take place from September through October 17th.

The popcorn sales raise funds for Pack programming, outings, and events, awards, and more!

Show & Sell

Show & Sells take place at store-fronts here in Grafton. This type of selling is Pack led. Parents will sign up their Scout for 1-hr time slots to sell in a group setting. Pack leaders are there to supervise the Scouts while they sell popcorn to the customers entering/exiting the store. The Scouts are responsible for selling the popcorn, handling the transaction, and presenting the product to the customer. Pack leaders will hold all money and donations.

The Pack provides all advertising materials and popcorn product.

Parents are welcome to observe or they may drop their Scouts off with permission from the leaders running the Show & Sell (*except for Lions & Tigers who require a parent to be present*).

Blitz

A Blitz is selling door-to-door in a group setting. This type of selling is Pack and family led. The group will meet at a specified location and break up into smaller groups. Scouts will take turns selling door to door. Pack leaders and parents are there to supervise Scouts. The Scouts are responsible for selling the popcorn, handling the transaction, and presenting the product to the customer.

The Pack provides all advertising materials and popcorn product.

This event requires a parent/guardian to attend with their Scout (no drop-offs).

- Sell online with your Scout's code
- Advertise your Scout's popcorn selling on social media
- Deliver product soon after the sale for better customer satisfaction
